

# FOR ALL YOU'VE DONE

Written by Reuben Morgan

**Verse1:**            **E**                    **Esus**  
My Saviour,            Redeemer  
**E**                                    **Esus**  
Lifted me from the miry clay

**Verse2:**            **E**                    **Esus**  
Almighty,            Forever  
**E**                                    **Esus**  
I will never be the same  
   **C#m**  
Cause You came near

**Verse3:**                                    **A**  
From the ever - lasting  
   **E**  
To the world we live  
   **B**  
The Father's only Son

**Chorus:**                    **E**                    **B/D#**  
*You lived and You died*  
                                 **A/C#**                    **B**  
*You rose again on high*  
                                 **E**                    **B/D#**  
*You opened the way*  
                                 **A/C#**                    **B**  
*For the world to live again*  
                                 **A**    **B**                    **E**    **Esus**  
*Hallelujah, for all You've done*

**Bridge:**            **D**                                    **A/C#**                                    **E**  
For all You've done Lord,            For all You've Done, Halle - lujah  
**D**                                    **A/C#**                                    **E**  
For all You've done Lord,            For all You've Done, Halle - lujah  
**D**                                    **A/C#**                                    **E**                    **B**  
For all You've done Lord,            For all You've Done, Halle - lujah

**Ending:**                                    **C#m**    **B**                                    **A2**    **B**  
Halle - lujah,            For all You've done  
                                 **C#m**    **B**                                    **A2**    **B**    **[A/E**    **B/E**    **A/C#**    **B]**  
Halle - lujah,            For all You've done
